

WorkingWell

Staff health and wellbeing

WorkingWell *for Business*

As your business partner, we can engage with your staff to ensure that they are fit and healthy to fulfill their duties. We offer management health advice and support enabling you to have a productive and profitable workforce.

By promoting a positive relationship between work and health, helping you to meet legislative requirements and promoting attendance and wellbeing, we can show you how a healthy workforce can translate into a healthy business. Now that works well for you.

For more information on our local services visit www.workingwell2gether.nhs.uk

You can talk to us on **08454 225165** or email us at workingwell@nhs.net
